PASS PERFORMANCE

Our School Elementary Schools with Students Like Ours Elementary schools statewide

NAEP PERFORMANCE*

* Performance reported for SC and nation, data not available at school level. Percentages at NAEP Achievement Levels.

SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Percent satisfied with school-home relations	83.3%	92.6%	80.8%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Millbrook Elementary has made significant steps toward continuing its legacy of delivering a quality education to its students.

Recently, we received notification from the State Department of Education that we had been selected as a Red Carpet School. This award recognizes the family-friendly environment that the faculty, staff, and students work hard to promote throughout the year. In addition, Millbrook made AYP with scores consistently above the district norms. These two achievements are indicative of the innovative teaching practices of our teachers and dedication of our staff in promoting a positive school environment.

An updated School Renewal Plan has been completed by the Title I and School Improvement Council Committee for the 2010-2011 school year. The goals provide that one Reading Specialist will provide literacy interventions for k-3 grades; Measures of Academic Progress will continue to be utilized as a benchmark assessment for differentiated instruction; Title I funding will be used to provide staff development for teachers in all core subject areas; and interventions will be incorporated into the regular classroom in an effort to close the achievement gap. Also, fourteen teachers have received Savannah River Nuclear Site science and math grants to enhance instruction, one \$1,000.00 STAR grant from Savannah River Nuclear Site to develop a science lab, and a \$5,000.00 grant from Lowes to update our Ecology Lab.

Our school provides excellent academic programs that are driven by data analysis of our students' needs. Our commitment to positive home-school relations, teacher collaboration, and professional development ensures that our students will be well prepared to enter into middle school.

Denise Huff, Principal
Kim Cheeks, SIC Chairperson
